RE: New Certified Equine Acupressure Practitioner

Larkspur, Colorado ----- Tallgrass Animal Acupressure Institute is very pleased to announce that Jennifer DeLong has successfully completed a comprehensive 230 unit training program in Equine Acupressure and is now an Equine Acupressure Practitioner. She is available to work with you and your horses in Berks County, Pennsylvania and the surrounding area.

Jennifer DeLong has studied with Tallgrass Animal Acupressure Institute for the past fifteen months. Her course work has included both hands-on and online courses in Traditional Chinese Medicine practice and theory, which covers: Yin-Yang Theory, Five-Element Theory, Assessment Techniques, Acupoint Classification, Location, Energetics and Function, plus Anatomy.

Along with her qualifications as a Certified Equine Acupressure Practitioner, Jennifer is experienced in both canine and equine massage. She operates DeLong Massage Therapy, which serves clients with a combination of hands-on healing sessions.

To contact Jennifer DeLong, call 484-248-1040, or email jdelongmassagetherapy@gmail.com. More information is available online at www.jdelongmassagetherapy.com
